INTRODUCING THE S.F.E. GROUP

*The **Specialized Fabrication Equipment Group** (in short: **S.F.E. Group**) was founded in 2019 after the merger of three world leading OEM's in the field of pipe fabrication tooling and machinery: B&B Pipe and Industrial Tools LLC (USA), Mathey Dearman Inc. (USA) and TAG Pipe Equipment Specialists (UK). In a time span of 5 years, another 4 renowned and market leading companies were acquired and added to the **S.F.E. Group** portfolio: Axxair (France, 2022), Magnatech (USA, 2023), Climax (USA, 2023) and Sumner (USA, 2025).*

*The vision and philosophy of the **S.F.E. Group** is to offer globally a comprehensive innovative and cost-effective range of specialized fabrication, welding and machining equipment and derived rental solutions, for a wide range of applications within all critical industries, while optimizing performance, efficiency and safety.*

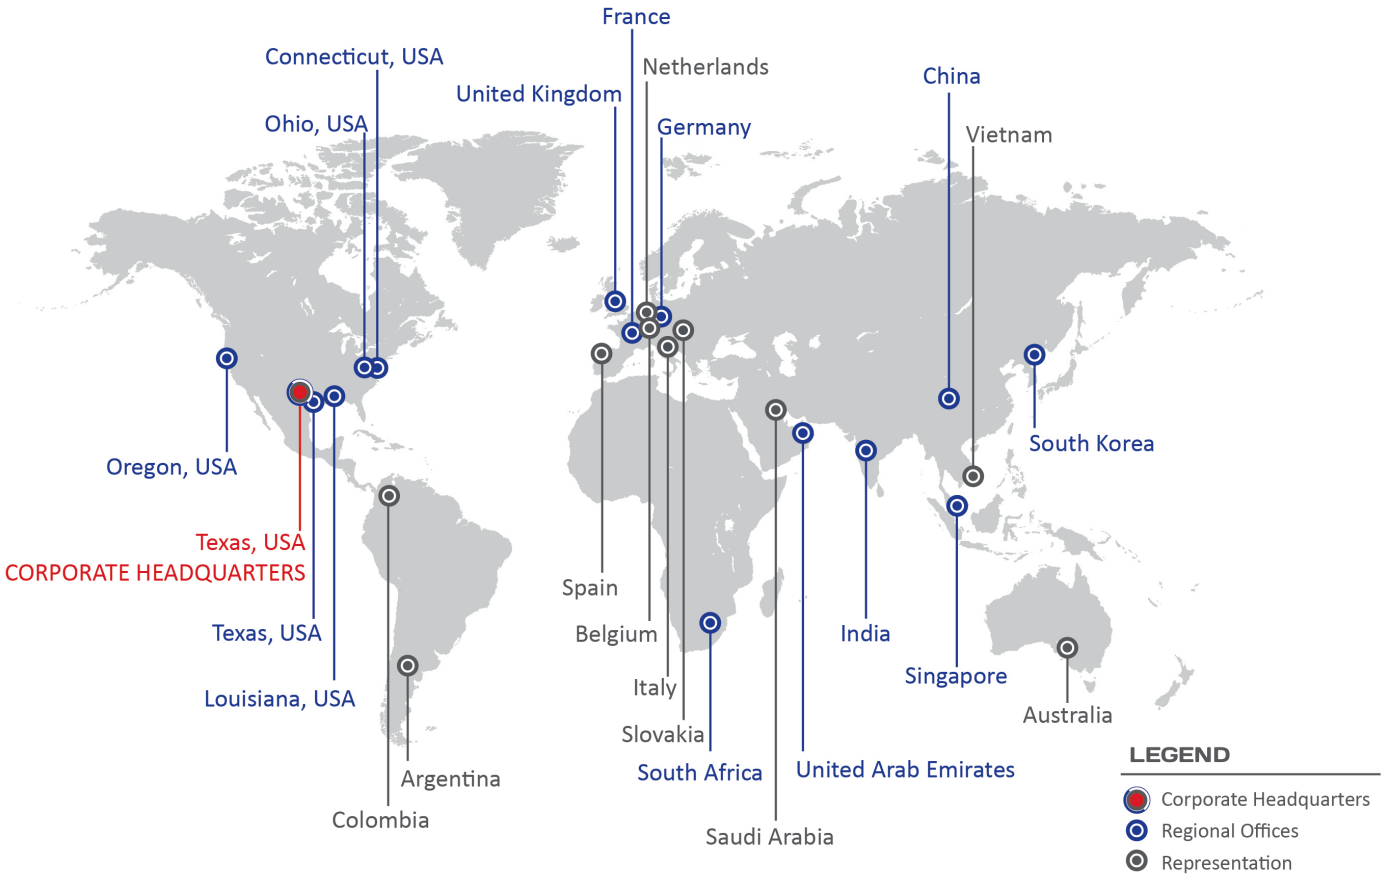

*Leveraging over 200 years of combined experience in engineering, manufacturing, and field applications, the **S.F.E. Group** is committed to driving innovation. Through continuous product development and strategic acquisitions, the **S.F.E. Group** is actively growing its portfolio and expanding its global presence to meet the demands of industries around the world. Currently, the **S.F.E. Group** consists of 12 complimentary brands, each supporting the others in delivering cutting-edge solutions.*

*With offices and warehousing on 5 continents, 400+ employees and more than 500 partnerships and distributors worldwide, **S.F.E. Group** prides itself on consistently offering the highest standards of both product quality and service locally to all its customers.*

S.F.E. Group looks forward to welcoming you into its global network as a partner, distributor or end user customer and remains at your disposal at any time.

INTRODUCING B&B SUMNER

B&B SUMNER *is the newly created global leading brand within the S.F.E. Group portfolio, following the acquisition in 2025 of Sumner Manufacturing, a company with a long-standing reputation for quality and innovation in lifting, material handling, and welding tools.*

B&B SUMNER *combines the expertise, innovation, and heritage of two strong historical brands and embodies the synergy of decades of experience and industry leadership, offering a broader, more powerful portfolio of solutions to S.F.E. Group's global customer base.*

With the ***B&B SUMNER*** *brand, the S.F.E. Group not only wishes to highlight the focus on this particular product line, but also supply the growing demand and diverse applications in the industries it already serves and intertwine with other product applications within S.F.E. Group.*

As an OEM, S.F.E. Group prides itself on its innovations, ground-breaking developments, and creative designs within the ***B&B SUMNER*** *product range. The* ***B&B SUMNER*** *brand portfolio consists mainly of a comprehensive range of pipe jacks and stands, mega rollers and stands, and material handling carts. With robust engineering capabilities, a customer-oriented focus, and flexibility, the* ***B&B SUMNER*** *brand delivers out-of-the-box pipe handling and material handling equipment as well as solutions tailored to meet customers' specific project needs and to serve an ever-evolving industry.*

B&B SUMNER *products are readily available through the S.F.E. Group's global network and can be consulted on the dedicated website:* ***www.BBSUMNER.com***

PIPE STACKER CART

The B&B SUMNER Pipe Stacker Cart is a compact yet powerful material handling solution engineered for efficiency, mobility, and versatility. Featuring a six-wheeled design, this low-height, narrow-width cart easily navigates tight spaces and fits through standard doorways, making it ideal for use in fabrication shops and construction sites.

Despite its streamlined frame, the cart boasts an impressive load capacity of 2,000 lbs / 910 kg, capable of transporting heavy pipe or equipment with stability. It features a durable mesh floor that provides added strength while allowing debris and dirt to fall through, keeping the load area cleaner during transport. The removable V-block attachment securely cradles pipe during movement but detaches in seconds, instantly converting the cart into a flatbed-style unit for general-purpose material handling.

Designed for convenience, the push handles and V-block can be quickly disassembled for compact storage. The carts are stackable for efficient shipment and warehousing, and the casters arrive pre-installed, ensuring the cart is ready to use straight out of the box.

Whether transporting pipe or general materials, the B&B SUMNER Pipe Cart combines strength, adaptability, and ergonomic handling into one reliable tool built for demanding industrial environments.

SPECIFICATIONS

- Transports pipe up to 24 foot / 7,315.2 mm in length.
- Pipe capacity: up to 36" / 914.4 mm
- 6 wheels ideal for workshop transportation
- Removable V for squares and flats.
- Removable handles for stacking and storage.
